Would you like to make a donation in memory or in honor of someone you love and respect? Giving Memorials and Honorariums is easy, and the memory of the gift will last a lifetime through the lives it affects. If you would like to send a gift in honor or in memory of your loved ones, please give us a call at 731-988-5251, or send the gift in the envelope enclosed in this newsletter. Please be sure to include your name and the name of those whom you wish to honor.

Who Can they turn to?

Youth Town's Foster Care Program will be a refuge for kids without a home and kids who can no longer go home.

Where do you turn when you have no family to turn to? Where do you go when you can no longer go home? Sadly these are questions that thousands of kids are faced

with every day.

The reasons are different. Some kids are orphaned and have no other family, but there are others that are

orphaned in a different way. Their circumstance is not a product of an unexpected death of a parent. It is the result of abuse or neglect that will not permit them to go home. Many times a child will heal from past hurts but their family has not made any changes, or does not want to care for their child any more. What will happen to these kids?

Youth Town wants to address that question with a new Foster Care Program. This program is designed specifically for those kids who have parents, but no home to go to. Jesus told us that whatever we do for the least of these we do for Him.

At Youth Town we believe there is a loving home out there for every child that needs one. We believe that there are caring people that want to answer the call for those who need a family. Are you one of them?

Please call us for more information about how you can participate in our Foster Care Program. The benefits far outweigh the sacrifice of opening your heart and your home to a child.

We have a vision to see every child have the loving home they need. Please help us realize that vision. If you would like more information please call us at 731-988-5251. Thank You. ✝
